[info@metaloks.com.tr](mailto:info@metaloks.com.tr)

[izmir@metaloks.com.tr](mailto:izmir@metaloks.com.tr) | [info@mursalmetal.com.tr](mailto:info@mursalmetal.com.tr) | [info@baraksmetal.com](mailto:info@baraksmetal.com)

## ABOUT US

Our company, which provides the service of processing all kinds of metals with technological machine park, offers you the world steels that have become a brand in this field. Our company carries out the sale, cutting, bending, welding and machining processes of special alloy steels, Strength steels ST 37 / 44 / 52 / 60 and Erdemir products.

Construction equipment, Excavator, Loader bucket and attachments are manufactured under our quality warranty. Our professional staff is waiting for providing you with the best and technical support.

## TARGET SECTOR

Construction, Mining, Marble, Quarries and the like...

Special Machinery Manufacturers, Construction Machinery Manufacturers, Boom, Chassis and Damper Manufacturers, Repair and Maintenance Workshops, Cement and Iron Steel Factories, Silo, Thermal Power Plants, Electricity Generators, Special Application Engineering.

## OUR VISION

To build up trust in the corporations by achieving successes that will leave a mark in Turkey, to become the center where demands are met, to serve by integrating the innovations of the era with the developments of the sector.

To become one of the powerful dynamics of our country with a holistic understanding, an active attitude and a world-class company attitude in the challenging competitive conditions of the global economy.

Under all circumstances, to promote the slogan "Company Specialized in Steel".

Not only to maintain our proven line of success, but also to implement the awareness of continuous development and to provide a service corporation that can ensure the continuity of all the foregoing with its employees and customers.

To assure continuous satisfaction by accepting every complaint from our customers as a gift.

# COMPANY SPECIALIZED IN STEEL

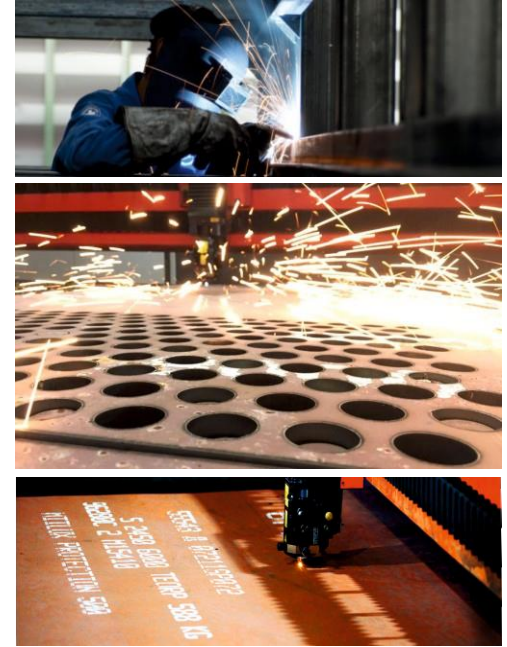

## SERVICE AND PRODUCTS

- Multiple Oxygen Cutting
- 260 Amperes Plasma Cutting
- 400 Amperes Plasma Cutting
- 3 Kw 1500 x 3000 Fibre Laser Cutting
- 6 Kw 2500 x 4000 Laser Cutting
- 12 Meters Length Press Bending
- 8 Meters Length Press Bending
- Cylinder Bending Workmanships
- All kinds of Machining
- Welding and Assembly Workmanship
- Construction Equipment Attachments Manufacturing
- All kinds of Project Based Commitment Services

## 400-450-500-550-600 BRINEL

- HARDOX
- RAEX
- DILLIDUR
- DUROSTAT
- XAR
- NM
- QUARD
- ABRAZO
- FORA
- CREUSABRO

Ereğli ST37-ST44-ST52-P265 GH,
